PRESIDENT'S MESSAGE

On behalf of the Board of Directors I would like to thank you all for your support and donations, for which we are extremely grateful. Thanks to your support, we are pleased to present a proposed balanced Budget for next year. As you may recall we have been working our way out of a pandemic caused deficit Budget this last year and with your continued support, we hope we can avoid another year like the last one.

As I look forward to next year and the proposed slate of Officers and Directors, I am encouraged by the dedication of those who continue to serve. Your proposed incoming President, Linda Garity, is an energetic and dedicated individual, who I'm confident will serve us all well. As I turn over the helm of ECHS to Linda, I truly want to thank her and the entire Board of Directors for their help and support these past 2 years and I would be remiss if I didn't extend a special thank you to Carla Nowak who has stepped into a difficult position, and, as she has always done, handled it flawlessly.

As with many organizations, our future lies in the hands of the next generation. If you know of a young person who has a love of history and more particularly, our local history, we would love to talk with them and look toward their involvement in the Historical Society. As we Celebrate our 50th anniversary next year, it is our hope that, with the infusion of young people from the next generation, we might continue to preserve and share the history of our community for many more years to come.

Thank you all again for your continued support. My best wishes to all for a Safe and Happy Holiday season and a Healthy and Prosperous New Year.

Rick Hall, ECHS Board President
